JABATAN AGAMA ISLAM SELANGOR

RISE TO DEFEND
THE SANCTITY
OF ISLAM

Let us increase our *taqwa* of
Allah *Subhaanahu*
Wata'aala by fulfilling all of
His Commands and avoiding
all of His prohibition.

Indeed, the noblest ones in the
Sight of Allah *Subhaanahu*
Wata 'aala are those with
utmost *taqwa*.

The topic of today's *khutbah* is
**“Rise To Defend The Sanctity
Of Islam.”**

Several weeks ago, the Muslims were shocked with a movie that derogatorily insulted our beloved Messenger *sallAllahu 'alayhi wasallam*, which is a direct insult to Islam.

Hence, I feel compelled to address the matter of defending the sanctity of Islam in this *khutbah*, as a response of our disgust, anger, and dissatisfaction towards the producer and

nation that purposely released such blasphemous video. Indeed, there were far too many writings that were offensive and insulting to Islam shown in that movie.

Among them is the book titled “Satanic Verses” by Salman Rushdie (1989), the work of the Bangladeshi author Taslima Nasreen (1990), and a website that was launched in 2011.

This website displays a picture of a female in her underwear along with a pig and other obscene materials, all sitting on top of the *Ka'bah*. In this latest blasphemous work that insults Rasulullah *sallallahu 'alayhi wasallam* and Islam,

the movie “**Innocence of Muslims**” depicted the Messenger *sallAllahu ‘alayhi wasallam* as a philanderer and womanizer. But everywhere, we hear and read of the denial
and

objections by various individuals, NGOs, political parties, and the general public towards the irresponsible party that produced such heinous movie.

They strongly demand for the producer or the country that allowed such production to apologize to all the Muslims. Even more impressive are non-Muslims who strongly

condemned such vile and irresponsible work, for it only fuels hatred and enmity between religions. In result, the Muslim *ummah* worldwide including in

Malaysia manifested their anger and dissatisfaction through massive demonstrations. The Muslims are alert and sensitive, in taking actions to defend their *deen* and Allah's

Messenger *sallAllahu 'alayhi wasallam* from further insult or manipulation. The Muslims will not compromise with anyone that attempts to degrade or insult Islam in any way or form.

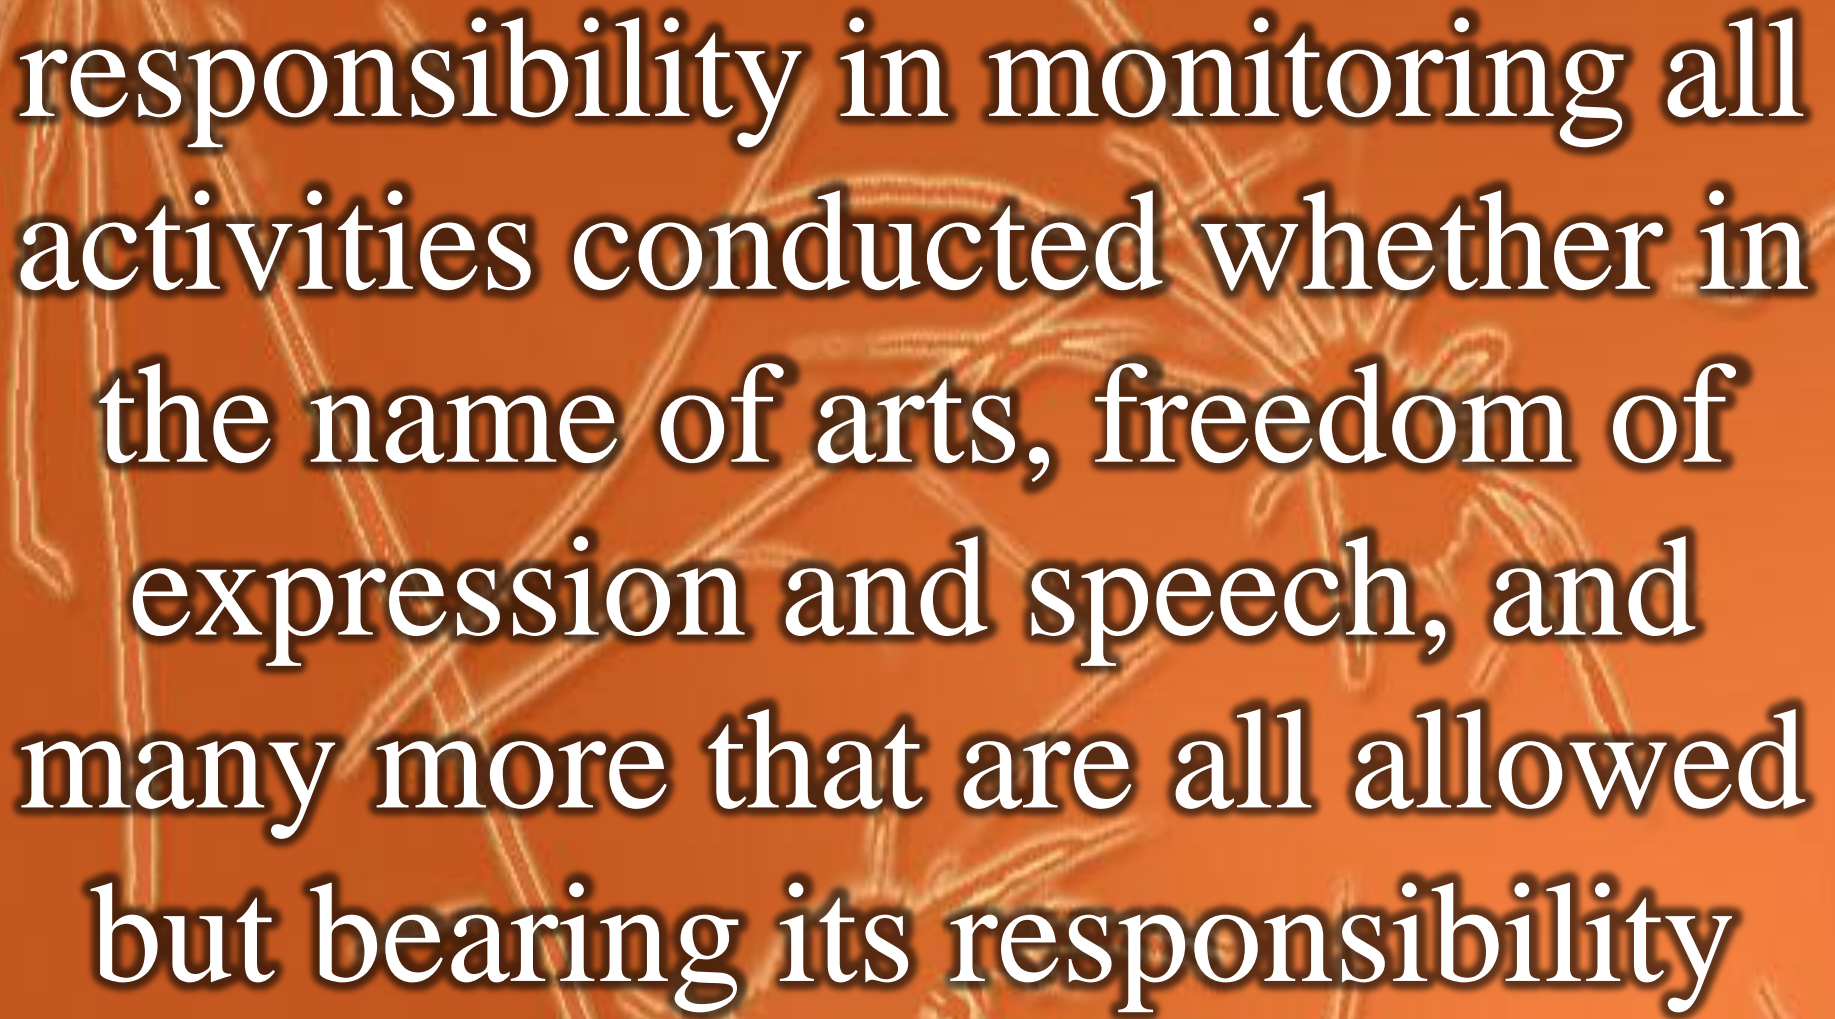

The Muslims must possess a high level of alertness and sensitivity towards any effort by those with malice intention to openly disparage or mock Islam and the Messenger *sallAllahu 'alayhi wasallam*.

It must be emphasized that every Muslim should have the concern, awareness, and *mujaahadah* that is solid and potent, and high spirit of *jihaad*, that one is every ready to act at any given

time in defending Islam from further humiliation and defamation by anyone. Here lies the important roles of every Muslim, Muslim NGOs, political parties, and

governmental agencies and organizations that administers the Islamic affairs to have the Islamic worldview and aspirations that are clear, fine, and thorough.

They shall rise in unity and in agreement to object and confront those hurling defamation against Islam and Rasulullah *sallAllahu 'alayhi wasallam*. At the same time, everyone must be aware of their very

responsibility in monitoring all activities conducted whether in the name of arts, freedom of expression and speech, and many more that are all allowed but bearing its responsibility

without jeopardizing the existing religious harmony. This must be thoroughly understood and safeguarded, for Islam does now allow defaming and insulting other religions openly.

Therefore, any action by anyone that can stir hatred or enmity is actually uncivilized, condemned, and will further cause instability or tension. This will definitely cause a

continuous negative effect for it will instigate the response or reply from those feeling dissatisfied because of attack on their very belief. Indeed, any violation and insult upon any religion including Islam,

is not a manifestation of true freedom. It is only mere freedom that is reckless for incurring anger and troubling many others due to the reaction and backlash resulted,

as what we have all seen and
experienced. Allah
Subhaanahu Wata'aala
mentions in al-Qur'an: "And
**do not insult those they
invoke other than Allah, lest
they insult Allah in**

**enmity without knowledge.
Thus We have made pleasing
to every community their
deeds. Then to their Lord is
their return, and He will
inform them about what they
used to do.”**

(al-An‘aam 6:108)

I call upon all Muslims to
always make *muhaasabah* and
realize that something must be
done, among them:

1- Those having the authority
to control, block, and prevent
any form of

information that defames Islam
and the Messenger *sallAllahu*
'alayhi wasallam, must take
necessary quick and actions so
that it will not be disseminated
and viewed by the masses
through any form of media.

2- We must unite in expressing our disgust and objection to the producer and country that had allowed such mockery towards Islam and our Messenger *sallAllahu 'alayhi wasallam*.

This must be done continuously
and kept at all levels.

3- Wisma Putra (Ministry of
Foreign Affairs) must produce a
note of stern protest to the
nation involved so that they will

be more careful and vigilant in allowing works that are Islamophobic (anti-Islam) in nature.

4- Continue to boycott the usage and purchase of products produced by

countries involved in allowing such heinous transgression against Islam. We shall begin with what is convenient by not purchasing goods that are commonly consumed, and replace them with local goods.

At the same time, everyone involved in the administering of Islamic affairs in Malaysia must unite to increase and strengthen their administrative affairs, especially in media control,

so that they can react much faster in intercepting such vile materials. We must be proactive, that is to always monitor in searching for materials that incriminate Islam, and then action upon

them so it will not be widely disseminated.

In addition, the Muslims must have *istiqaamah* in efforts to curb all sorts of *munkar*, not only hyped up in demonstrations against

anti-Islamic works but at the same time doubtful of the complete full-blown implementation of the *Sharee'ah*. For this is only an oxymoron, contradicting in itself, and can even nullify

one's *'aqeedah*. This is one reality that is manifest today, where there are still Muslims uttering statements questioning the comprehensiveness of Islam. More unfortunate is when the authorities having the

responsibilities and power to curb such phenomenon, remain inactive without necessary measures to rectify the matter. Thus it seems as if they too are affirming and in agreement with such thoughts.

Finally, the Muslims must
continue and increase in
making *du'a* after all efforts
been exhausted solely the sake
of Allah *Subhaanahu*
Wata'aala.

For only Allah Alone can do whatever He Wills and with His Might to destroy the enemies of Islam, but only when the Muslims are truly in obedience to His Commands and abstains from His prohibitions.

In conclusion, the Muslims will not compromise or budge with those that purposely insult and disparage Islam in any way. Hence, the Muslim *ummah* must always advise, inform,

and correct any mistakes or
misinformation by those
intending to defame Islam. We
cannot allow such ignorance,
foolishness, imbecility, and
munkar such

as this very incident to
continue on. What more if they
are made with portrayal of
falsified and misconstrued
information, lies, allegations,
fitnah, and sowing severe
enmity towards Islam.

Verily, every Muslim has a major role in the field of *da'wah*; to educate, guide, and lead the *ummah* with methods and approach that are conducive and bearing *hikmah*.

Make sound effort in activities that can produce and broadcast materials including videos, animations, articles, and documentaries that can repel the attacks on Islam.

At the same time, it will undo the misconceptions and propagate the actual true information about Islam. **“And among them are those who abuse the Prophet and say, “He is an ear.”**”

Say, “[It is] an ear of goodness for you that believes in Allah and believes the believers and [is] a mercy to those who believe among you.” And those who abuse the Messenger of Allah – for them is a painful punishment.” (at-Tawbah 9:61)

بَارَكَ اللهُ لِيْ وَلَكُمْ فِي الْقُرْآنِ الْعَظِيْمِ وَنَفَعَنِي
وَإِيَّاكُمْ بِمَا فِيهِ مِنَ الْآيَاتِ وَالذِّكْرِ الْحَكِيْمِ وَتَقَبَّلْ
مِنِي وَمِنْكُمْ تِلَاوَتَهُ إِنَّهُ هُوَ السَّمِيعُ الْعَلِيْمُ. أَقُولُ
قَوْلِي هَذَا وَأَسْتَغْفِرُ اللهَ الْعَظِيْمَ لِيْ وَلَكُمْ وَلِسَائِرِ
الْمُسْلِمِيْنَ وَالْمُسْلِمَاتِ وَالْمُؤْمِنِيْنَ وَالْمُؤْمِنَاتِ
الْأَحْيَاءِ مِنْهُمْ وَالْأَمْوَاتِ فَاسْتَغْفِرُوهُ
.إِنَّهُ هُوَ الْغَفُوْرُ الرَّحِيْمُ

**O Allah, You are the Almighty Lord,
we are grateful unto You for having
bestowed upon us Mercy and
Blessings, nourishing us to strive
to continue in strengthening the
Muslim nation especially the state
of Selangor, as an advanced,
progressive, peaceful, and
benevolent state.**

**We beseech and beg You, Ya Allah,
to strengthen our *imaan*, increase
our good deeds, strengthen our
unity, increase our provision,
enrich us with beneficial
knowledge, nourish our soul with
beautiful *akhlaaq*, guide us to the
Path that is Pleasing to You,
protect us from Your severe**

tribulations such as the long drought, severe flooding, disease outbreak, violence and instability, poverty, and others, so that our land will become more peaceful and blessed. Oh Allah, we ask You to open up the hearts of the Muslim *ummah* especially in Selangor,

to fulfill their *zakaat* obligation as You had decreed in al-Qur'an. Bless the lives of those who have fulfilled their *zakaat* obligation, loving and caring for the poor and needy. Purify their wealth and soul so that they will live according to that which pleases You. Protect the poor and needy from disbelief and everlasting poverty.

Allaahummaa ameen
