# PONDERING UPON AL- QUR'AN

As we are in this blessed month of *Ramadaan*, let us strive to increase our *taqwa* of Allah *Subhaanahu Wata'aala* by performing all of His Commands and abstaining from all of His prohibitions.

May we all constantly attain the  
*barakah* and *rahmah* of Allah  
*Subhaanahu Wata'aala*. On this  
blessed day, let us ponder upon  
the *khutbah* titled “*Pondering  
Upon al-Qur'an*”.

Al-Qur'an is *kalaamullah* that was revealed to Rasulullah *sallallahu 'alayhi wasallam* through Jibreel *'alayhissalam*. Among its main mission is to develop the *akhlaaq* of mankind,

meaning to build, establish, and  
elevate the *akhlaaq* of mankind  
in attaining the pleasure of  
Allah *Subhaanahu Wata'aala*.  
Al-Qur'an as the impetus for  
praiseworthy *akhlaaq*,

is not only for the Muslims, but instead for the entire mankind with messages calling to attain knowledge, having belief, and performing righteous deeds.

Al-Qur'an is a *mu'jizah*  
(miracle) of Rasulullah  
*sallallahu 'alayhi wasallam*,  
and Allah has manifested how  
majestic and glorious are the  
contents of al-Qur'an.

From among the *hikmah* of al-Qur'an is that if it is recited with full contemplation, it will tranquil the heart, pouring a sense of peace into the soul, and as healing for the

grieving heart. Allah  
*Subhaanahu Wata 'aala*  
mentions in al-Qur'an:  
**“And We send down of the  
Qur'an that which is healing  
and mercy for the believers.”**  
(al-Israa' 17:82)

In a period of 23 years,  
Rasulullah *sallAllahu 'alayhi  
wasallam* had received  
revelations in stages. According  
to Imaam as-Suyooti  
*rahimahullah*, al-Qur'an has a  
total of 6236

verses, with 74,439 words, and 325,345 letters. Such was their accuracy and precision in their love for al-Qur'an that every letter was counted, even though they did not possess sophisticated

calculating devices. Allah has sent down al-Qur'an as guidance and reminder so that mankind will realize that in reality, they are not free to do as they please. But there is a Higher Being that

determines and controls everything. Mankind cannot control their own will and destiny, as they would wish, and limited to only their effort and endeavor. We can only plan, but fate and

destiny are in the Hands of  
Allah *Subhaanahu Wata'aala*.

From among the roles of al-

Qur'an is as *al-Huda* (the  
guidance), *al-Furqaan* (the  
criterion between truth and

falsehood), *al-Mubayyin* (the clarifier), *ar-Rushd* (directing to all that is beneficial), *ar-Rahmah* (mercy), *an-Noor* (the light of life), *ash-Shifaa'* (the healer), and many more.

All these proves the greatness of  
al-Qur'an. For example,  
referring to the life of 'Umar ibn  
al-Khattaab *radiyAllaahu 'anh*  
who was originally a cruel and  
violent person.

He had embraced Islam after listening to verses of al-Qur'an being recited. Due to the magnificence of al-Qur'an, the heart that was hard melted and became very soft,

realizing that the teachings of  
Nabi Muhammad *sallAllahu*  
*'alayhi wasallam* is indeed  
beautiful and honorable. 'Umar  
did not wait long and quickly  
embraced Islam with whole-

heartedness and *ikhlaas*. This great incident has caused Islam to spread throughout the barren desert area. This is from among the glory of al-Qur'an, that it was able to soften hearts that were hard

and harsh.

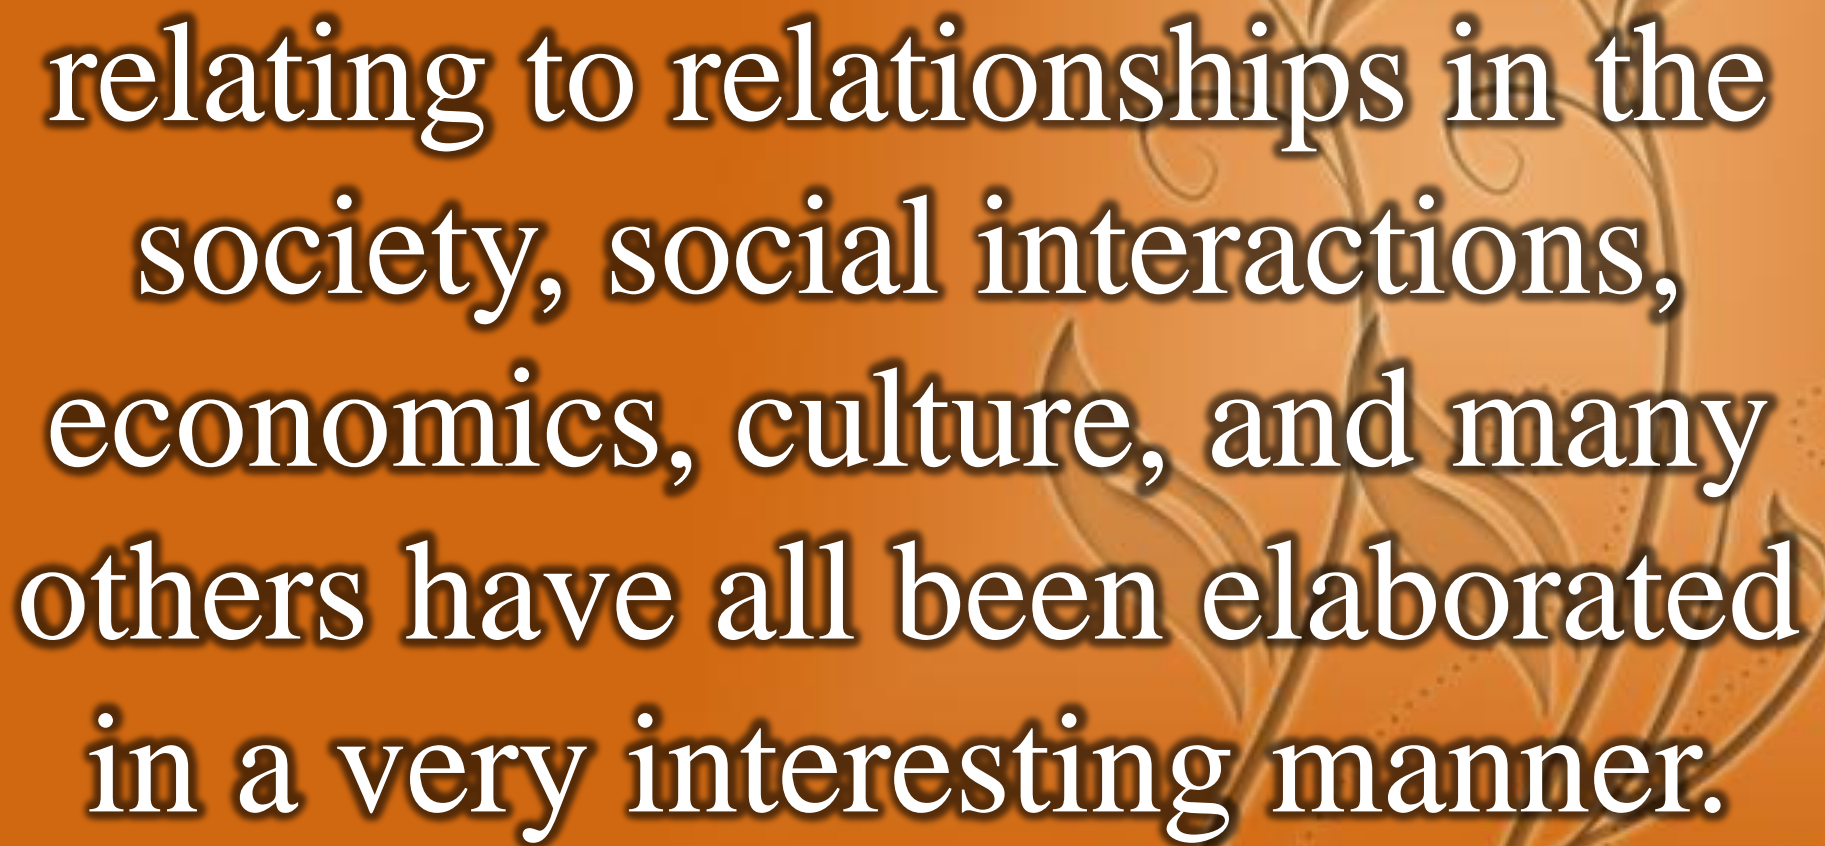

The objective and purpose of al-Qur'an is as such, that whenever we are seeking guidance unto the true path in this life, then the answer is none other than to follow the

guidance of al-Qur'an.

Similarly if we want to evaluate on any matter, whether if it will bring about benefit or harm to mankind, permissible or not by Allah, then the most accurate

answer is to refer to al-Qur'an  
for everything is within it. Al-

Qur'an provides lessons  
regarding relationships amongst  
mankind. For example,  
knowledge and sciences

relating to relationships in the society, social interactions, economics, culture, and many others have all been elaborated in a very interesting manner.

Likewise for history of the past,  
all were explained with the  
stories of previous nations.

*Allah Subhaanahu Wata'aala*  
mentions in al-Qur'an:

**“This [Qur’an] is a clear statement to [all] the people and a guidance and instruction for those conscious of Allah.”**

**(Aal-‘Imraan 3:138)**

Today, we are living in a time of difficulty, with unfavorable circumstances, due to the lack of contemplation and appreciation for al-Qur'an by the Muslims.

This phenomenon indicates that it is as if the Muslim *ummah* is not confident upon the superiority and distinction of the teachings of al-Qur'an. As a consequence of the

wickedness and negligence  
upon Qur'anic teachings, it is  
very clear that many within the  
Muslim *ummah* today are  
inundated with various  
problems in their lives such as  
poverty,

hunger, and frustrations whether internally (inner self) or externally (community). The social vices that have plagued the Muslims today are a prime example proving that the

Muslim *ummah* has abandoned al-Qur'an in their priorities. The prevailing scenario that shows Muslims as being involved in these social immoralities is very humiliating and degrading.

Al-Qur'an has promised severe punishment upon those that transgress against the guidance of al-Qur'an as it was mentioned:

**“And whoever turns away  
from My remembrance –  
indeed, he will have a  
depressed life, and We will  
gather him on the Day of  
Resurrection blind.”**

**(Ta-Ha 20:124)**

Prophet Muhammad *sallAllahu*  
*'alayhi wasallam* is the bearer  
of the humanitarian message  
that is comprehensive and  
complete. While al-Qur'an is  
the guidance or manual for

that message, providing answer  
to all questions posed by  
mankind - whether problems  
between the creations and its  
Creator, or problems between  
the creations and other  
creations.

Al-Qur'an that was revealed is actually the catalyst that triggers the great revolutionary spirit, destroying all forms of ignorance and shirk. It is the guidance, the clarifier, and

the criterion between truth and falsehood. Allah *Subhaanahu Wata'aala* mentions in al-

Qur'an:

**“The month of *Ramadaan* [is that] in which was revealed the Qur'an,**

**a guidance for the people  
and clear proofs of  
guidance and criterion.”**

**(al-Baqarah 2:185)**

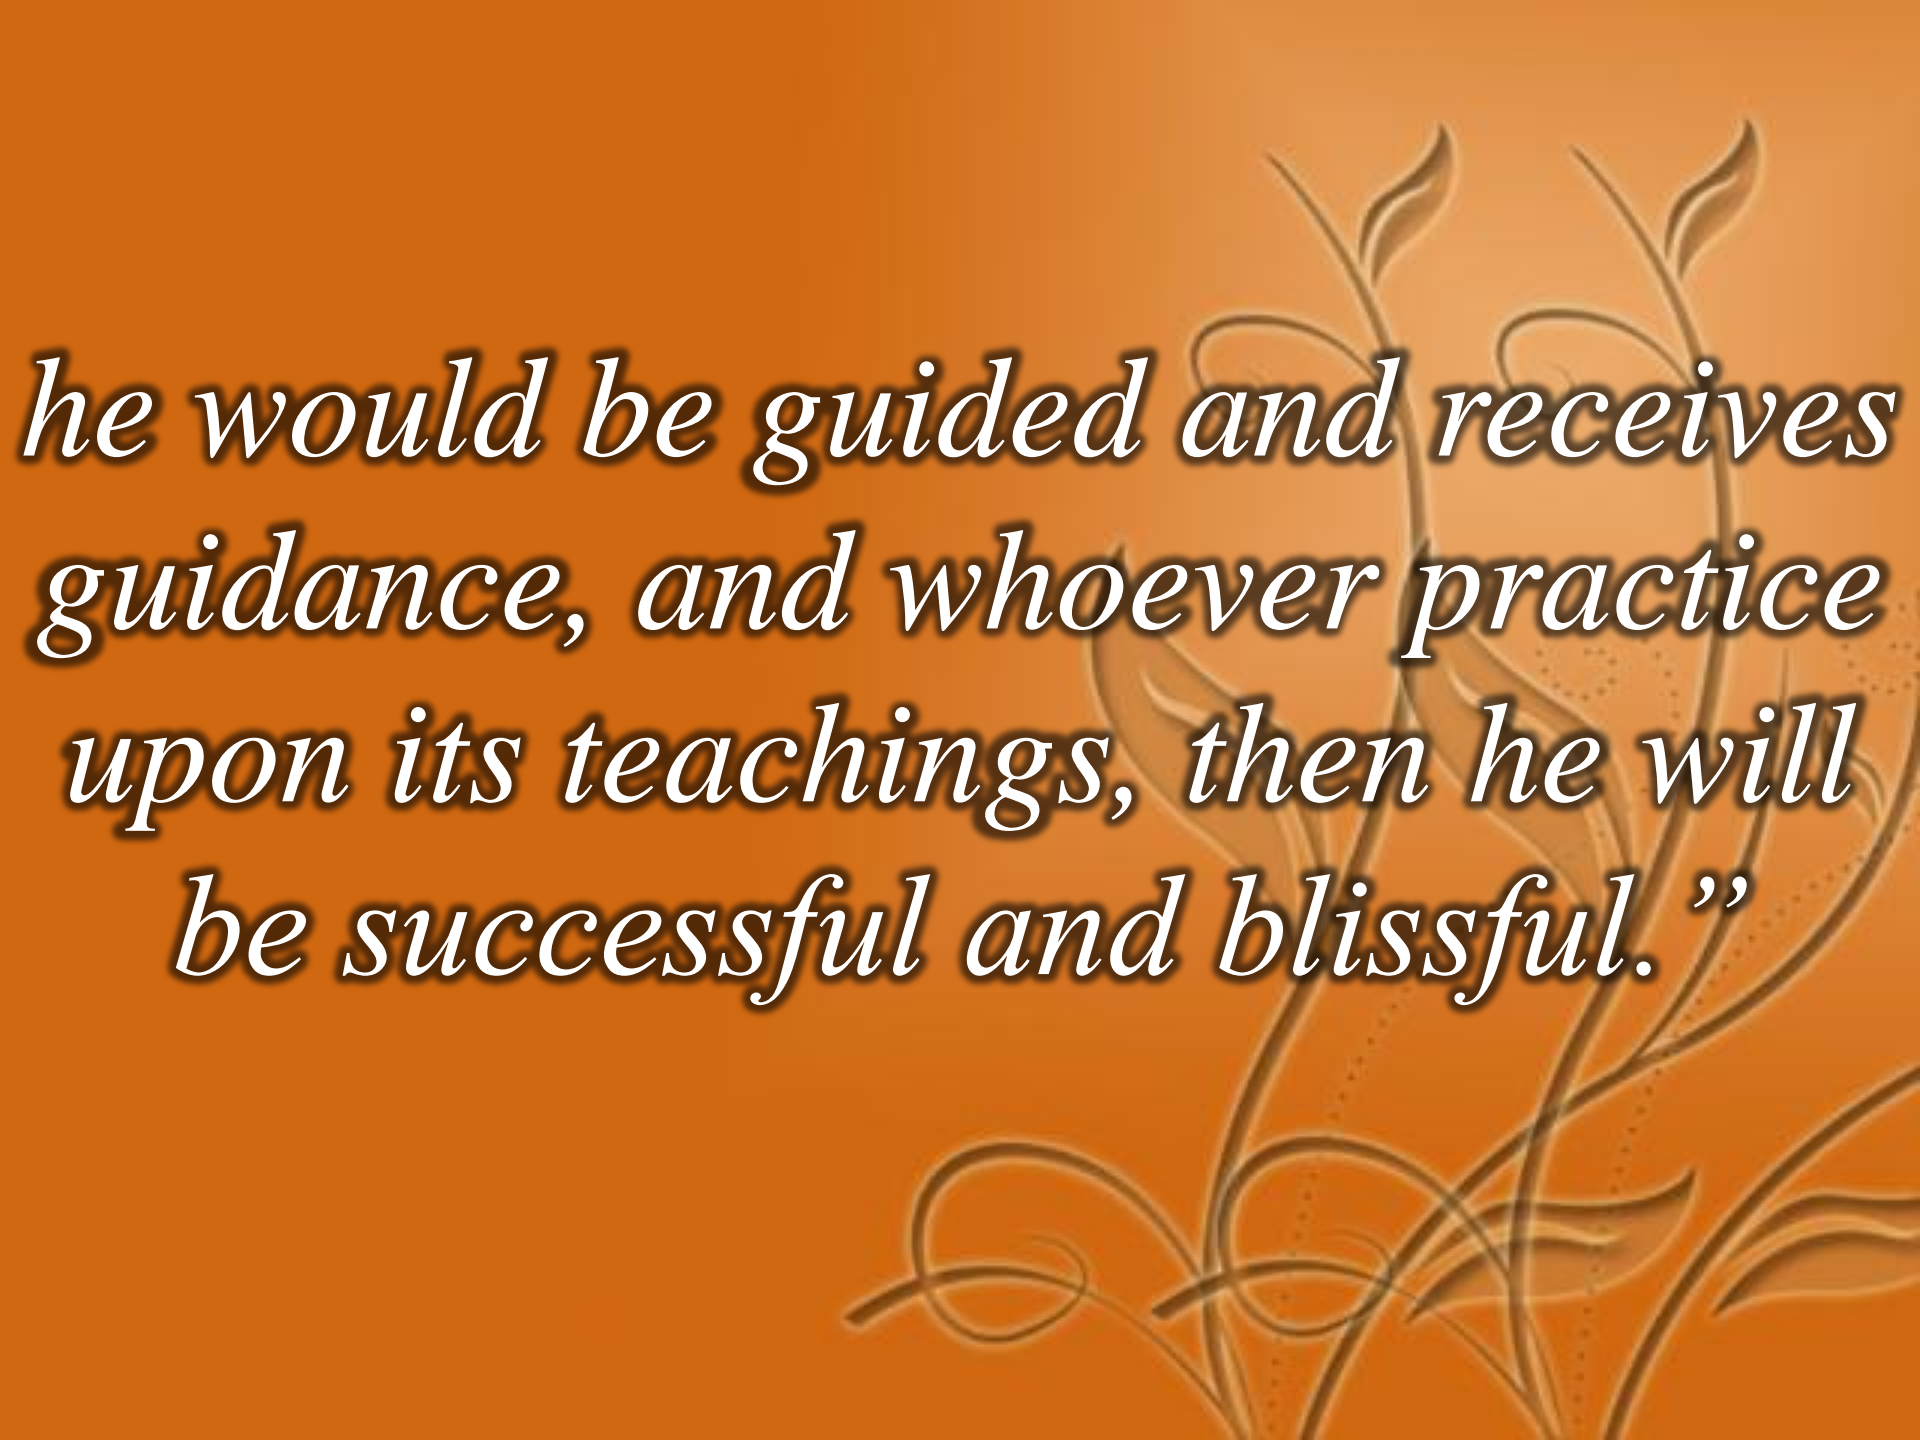

This verse alludes to us that al-Qur'an is put forth to mankind having three roles:

1. As guidance for mankind.
2. As clear proofs for guidance from Allah.

3. As the criterion that distinguishes truth from falsehood.

According to Imaam al-Ghazzaali *rahimahullah*:

*“Whoever clings firmly upon al-Qur’an,*

*he would be guided and receives  
guidance, and whoever practice  
upon its teachings, then he will  
be successful and blissful.”*

What becomes the question is to what extent are the Muslims able to properly master the Qur'anic recitation, understanding and implementing all the regulations taught in

al-Qur'an. Rasulullah  
*sallallahu 'alayhi wasallam* had  
given stern reminder about  
those that disregard the  
teachings from al-Qur'an, as it  
was narrated from the *hadeeth*  
of

ibn ‘Abbaas *radiyAllaahu*  
*‘anhuma* where Rasulullah  
*sallAllahu ‘alayhi wasallam*  
said:

**“He who does not memorize  
any part from**

the Qur'an he is like the  
ruined house.”

(at-Tirmidhi: *hasan saheeh*)

This *hadeeth* provides a  
beautiful illustration that we can  
actually imagine the state of an  
empty soul,

living without guidance and purpose. How unfortunate for that very soul, even though seemingly complete and healthy physically, but only to be filled with emptiness and

disappointment in the spirit and  
soul.

There are multitudes of valuable  
lessons in al-Qur'an that was  
revealed by Allah, among them:

1. Al-Qur'an carries a great mission in building the *akhlaaq* of mankind.

2. Al-Qur'an brings great revolutionary zeal to eliminate all form of ignorance and shirk.

3. Al-Qur'an provides the guidance that can solve all problems in life for mankind until the end of time.

4. Al-Qur'an provides the ultimate guidance for all mankind until the end of

time. Therefore, we cannot separate and be separated from al-Qur'an, for it has many lessons and teachings. Hence, it behoove the Muslims to:

1. Learn the proper recitation of al-Qur'an.
2. Comprehend the teachings of al-Qur'an even if it is only the translation of its meanings.
3. Strive to derive lessons, contemplation, and practice upon the teachings of al-Qur'an.

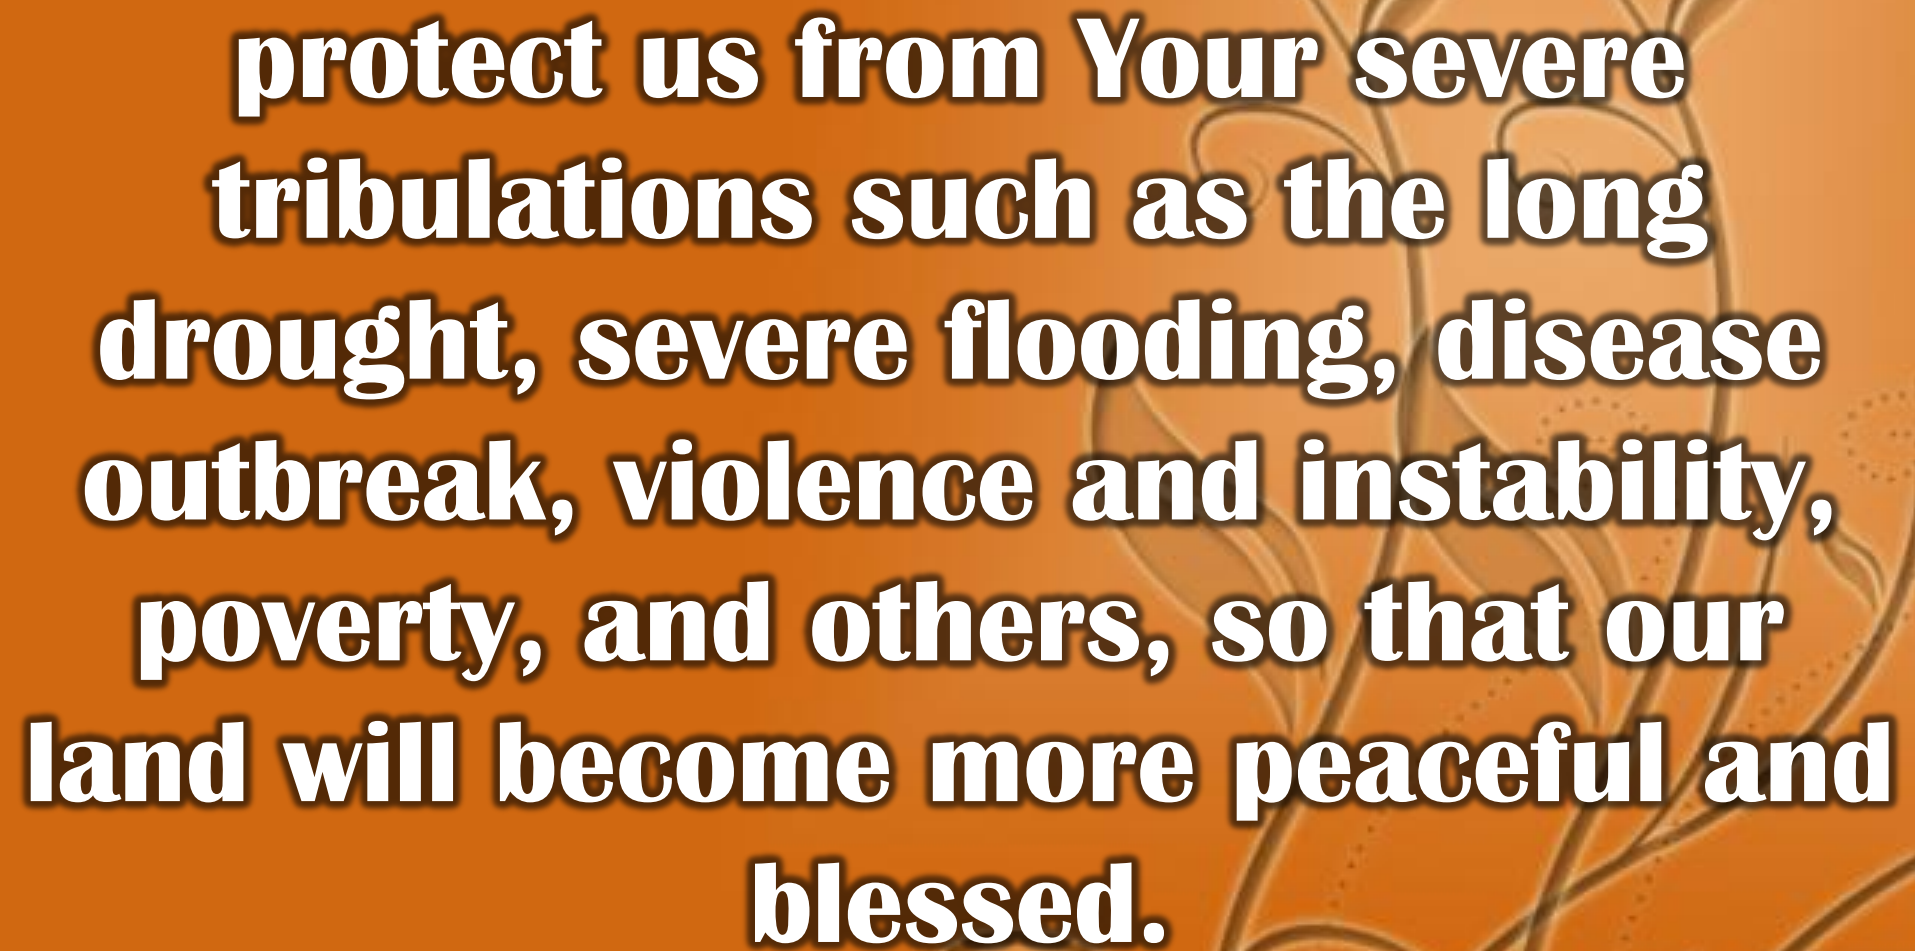

**“And whoever turns away  
from My remembrance –  
indeed, he will have a  
depressed life, and We will  
gather him on the Day of  
Resurrection blind.”**

**(Ta-Ha 20:124)**

بَارَكَ اللهُ لِي وَلَكُمْ فِي الْقُرْآنِ الْعَظِيمِ وَنَفَعَنِي  
وَإِيَّاكُمْ بِمَا فِيهِ مِنَ الْآيَاتِ وَالذِّكْرِ الْحَكِيمِ وَتَقَبَّلْ  
مِنِّي وَمِنْكُمْ تِلَاوَتَهُ إِنَّهُ هُوَ السَّمِيعُ الْعَلِيمُ. أَقُولُ  
قَوْلِي هَذَا وَأَسْتَغْفِرُ اللهَ الْعَظِيمَ لِي وَلَكُمْ وَلِسَائِرِ  
الْمُسْلِمِينَ وَالْمُسْلِمَاتِ وَالْمُؤْمِنِينَ وَالْمُؤْمِنَاتِ  
الْأَحْيَاءِ مِنْهُمْ وَالْأَمْوَاتِ فَاسْتَغْفِرُوهُ  
إِنَّهُ هُوَ الْغَفُورُ الرَّحِيمُ

**O Allah, You are the Almighty Lord,  
we are grateful unto You for having  
bestowed upon us Mercy and  
Blessings, nourishing us to strive  
to continue in strengthening the  
Muslim nation especially the state  
of Selangor, as an advanced,  
progressive, peaceful, and  
benevolent state.**

**We beseech and beg You, Ya Allah,  
to strengthen our *imaan*, increase  
our good deeds, strengthen our  
unity, increase our provision,  
enrich us with beneficial  
knowledge, nourish our soul with  
beautiful *akhlaaq*, guide us to the  
Path that is Pleasing to You,**

**protect us from Your severe tribulations such as the long drought, severe flooding, disease outbreak, violence and instability, poverty, and others, so that our land will become more peaceful and blessed.**

**Oh Allah, we ask You to open up the hearts of the Muslim *ummah* especially in Selangor, to fulfill their *zakaat* obligation as You had decreed in al-Qur'an. Bless the lives of those who have fulfilled their *zakaat* obligation, loving and caring for the poor and needy.**

**Purify their wealth and soul so that  
they will live according to that  
which pleases You. Protect the poor  
and needy from disbelief and  
everlasting poverty. *Allaahummaa  
ameen***
