***HIS MAJESTY THE YANG
DI-PERTUAN AGONG:***

***THE FOUNDATION
OF PEACE AND
STABILITY IN THE
NATION***

In conjunction with this noble day of Friday, I remind myself and call upon fellow beloved audience to altogether strive in increasing our *taqwa* of Allah

Subhaanahu Wa Ta'aala
by diligently performing
all of His Commands and
avoiding all of His
prohibitions. May we
attain blessings in our
lives in this world and the
Hereafter.

In conjunction with the official birthday of the 15th His Majesty the Yang di-Pertuan Agong, Sultan Muhammad V, today's *khutbah* will elaborate on the topic:

***“HIS MAJESTY THE YANG
DI-PERTUAN AGONG:***

***THE FOUNDATION
OF PEACE AND
STABILITY IN THE
NATION.”***

A nation necessitates leadership to perfect its administration so as to become organized and successful in all aspects. According to Islam, the position of a leader is truly noble and prominent

for he has been entrusted
with the very task of
succeeding the role of
the prophets in
safeguarding the religion
and administering the
affairs of the Muslim
ummah.

Imaam al-Maawardi mentioned in his book *al-Ahkaam al-Sultaaniyyah* that: “*The role of the leader of the nation is to preserve the religious affairs and administer the worldly affairs.*”

In the context of Malaysia today, we are well informed of the provisions stated in Part IV, Chapter 1 of the Federal Constitution, which states that

His Majesty the Yang di-Pertuan Agong is the Head of State for the Federation, elected through the consensus of the Conference of Rulers. The oath sworn by His Majesty the Yang di-Pertuan Agong

encompasses the pledge of loyalty in ruling the government with justice according to the laws and the constitution, as well as safeguarding the religion of Islam.

Therefore, it must be reminded to all of us as fellow citizens upon the significance of allegiance towards the Ruler and the nation. Moreover, this coincides with one of the principles in the creed of

Ahl as-Sunnah wal-Jamaa'ah, which is to obey and honor the Muslim leader for as long as he does not command acts of disobedience. Allah Subhaanahu Wa Ta'aala mentions in

verse 59 of soorah an-Nisaa’:

“O you who have believed, obey Allah and obey the Messenger and those in authority among you...”

And if you disagree over anything, refer it to Allah and the Messenger, if you should believe in Allah and the Last Day. That is the best [way] and best in result.”

Lately, the royal institution that is supposed to be respected has been greatly challenged by irresponsible efforts to discredit it, especially in the social media.

Various issues that are unverified of its authenticity had been raised, so what more with ones that are baseless, unfounded, and even without proofs. Such predicament not only

causes harm and disrupts the wellbeing (*maslahah*) of the people, but at the same time it gives joy to those rejecting the constitutional monarchy system and Islam as the official religion.

In relation to that, let us all unite in distancing ourselves from getting ensnared and affected by these types of issues. As Muslims, it behoove us to firmly cling upon the principles of Islamic

Sharee'ah that
commands us to
safeguard our tongue and
restrain ourselves from
writing or stating matters
without sound proofs.
This reminder had been
clearly mentioned by

Allah *Subhaanahu Wa Ta'aala* in verse 36 of soorah al-Israa':

“And do not pursue that of which you have no knowledge. Indeed, the hearing, the sight and

the heart - about all those [one] will be questioned.”

This matter was reminded by our beloved Prophet

صلى الله عليه وسلم in a *hadeeth*

narrated by ibn Mas‘ood *radiyAllaahu ‘anh:*

“Adhere to truth, for truth leads to good deeds and good deeds lead to Paradise. Avoid falsehood, for falsehood leads to

***wickedness and
wickedness leads to
Hell.”***

(al-Bukhaari and Muslim)

**With that, we are truly
grateful to Allah**

Subhaanahu Wa Ta'aala

for protecting this
country from any threats.
We supplicate to Allah to
continue in bestowing
istiqamah
(steadfastness) upon His
Majesty the Yang di-
Pertuan Agong with the

traits of *hikmah*
(wisdom), firmness,
intelligence, just,
equitable, and utmost
capability while wading
through all challenges
with effectiveness.
Moreover, we pray for the

**ranks of leaders and
advisors of our nation
including the *'ulamaa'*
(Muslim scholars) and
Muslim intellectuals that
they will aid and further**

solidify the status of His Majesty the Yang di-Pertuan Agong.

May Allah preserve the success of this nation such as the establishment of the Islamic University,

Tabung Haji (Hajj Fund),
and perhaps the best
Islamic banking and
financial management
system, as well as being
the leader of world-class
halaal industry that
clearly benefits the

ummah overall. Indeed, the success that Allah has granted is the result of cooperative efforts from the minds of the '*ulamaa*' and *umaraa*' (leaders) whom aspires to see the nation

thrives in attaining
prosperity and wellbeing.
With sound relationship
between the '*ulamaa*' and
umaraa', may the nation
continue to be blessed
with grace and mercy.

Verily, the sovereignty of Islam and the nation's advancement are grounded in the strength of its leadership. Hence, His Majesty the Yang di-Pertuan Agong as the Head of State, whether

**in his personality or in
executing his jurisdiction,
while safeguarding the
nation and the sanctity of
Islam, must to be
respected by all citizens.
The citizens remain
affectionate and revere**

**His Majesty the Yang di-
Pertuan Agong for his
great concerns in
upholding Islam,
advancing the nation, and
aiding the lives of the
people so that they can
live in peace and**

**harmony, amidst the
developments in current
world affairs.**

**Let us always supplicate
for continuous wellbeing
upon the 15th His Majesty**

**the Yang di-Pertuan
Agong, Sultan
Muhammad V, in
conjunction with the
celebration of the official
birthday of His Majesty,
on the 9th of September
2018, which corresponds**

to Sunday, the 28th of
Dhul Hijjah 1439 *Hijri*.

To end the *khutbah* for
this week, I would like to
conclude with several
lessons and guidelines:

1. The Muslim *ummah* must have certainty that loyalty to the Ruler and loving the nation is part of *imaan* (belief).

2. The Muslim *ummah* must avoid causing and spreading *fitnah* for it can destroy the nation, its people, and the religion.

3. The Muslim *ummah* must always pray that His Majesty the Yang di-Pertuan Agong will always remain *istiqamah* in exercising his jurisdiction to preserve the nation and the sanctity of Islam.

***“[And they are] those who, if We give them authority in the land, establish prayer and give zakaah and enjoin what is right and forbid what is wrong.*”**

***And to Allah belongs
the outcome of [all]
matters.”***

(al-Hajj 22:41)

**THE SECOND
KHUTBAH**

Once again, I would like to remind all of us to always have the *taqwa* of Allah *Subhaanahu Wa Ta'aala* and realize that Islam teaches us to remain moderate in every actions and

deeds. As Muslims, we are to manifest noble *akhlaaq*, having utmost personality and attitude for Rasulullah ﷺ was sent to perfect *akhlaaq* and as mercy for the entire mankind and the worlds. Therefore, let us

**always increase our *salawaat*
and *salaam* upon our Prophet
Muhammad صلى الله
عليه وسلم . Allah
Subhaanahu Wa Ta'aala
mentions:**

“Indeed, Allah confers blessing upon the Prophet, and His angels [ask Him to do so]. O you who have believed, ask [Allah to confer] blessing upon him and ask [Allah to grant him] peace.” (al-Ahzaab 33:56)

O Allah, You are the Lord that is All Mighty, we are grateful to You for having bestowed upon us *rahmah* and *ni'mah*, that we are able to continue the effort in empowering the Muslim *ummah*, as an advanced state,

prosperous and providing welfare, under the auspices and leadership of our Ruler as the Head of Islamic affairs in this state.

**Hence, we sincerely beseech
You, O Allah, strengthen our
imaan and creed according to
that of *Ahl as-Sunnah wal-
Jamaa'ah*, accept our righteous
deeds, cultivate our soul with
good mannerisms, unite our**

hearts, bestow upon us *rizq* with blessings, enrich us with beneficial knowledge, protect us from disasters and save us from teachings that are outside the fold of Islam such as *Qadiyaani*, deviant teachings such as

***Shee'ah*, and other teachings deemed as deviating from Islamic teachings or contradicting the creed of *Ahl as-Sunnah wal-Jamaa'ah*. 0 Allah, open up our hearts in performing the five daily**

**prayers, fulfilling *zakaat*
through the Selangor *Zakaat*
Board, making *waqf* and *infaaq*
of our wealth to Selangor *Waqf*
Corporation and Islamic
Development Trust Fund of
Selangor.**
